We need to start finding based lodging in DC with the stupid amount of leftist hotels that want to start rejecting Trump supporters.

You can also fly into IAD Dulles and take the train or public transportation into the city.

I thought about it just in case but I am still "working" from home so the time during travel I will already be neglecting my work. If it is important I stay, I can ya know.

Waste of money imo. Not like it's going to change anything the corrupt politicians are still corrupt and won't enforce laws unless it's against us.

Better off getting supplies for the gulags

Someone bring a spare piece for this poor pede who has to fly on cucked airlines that would stop him from doing the right thing!

This 👉 👉 👉 👉 👉 👉 👉 .

Pedes saying to carry spares to share ON THE DAY? With total strangers you've only just met?

Coordinate here on TDW. Agree on a passcode via DM (don't share personal info). Check their post/comment history to ensure you're not been entrapped by the DC cops, or giving your precious guns to some Aunt Tiffa mole.

Co-ordinate via dms is good, but I don't think Antifa will be that hard to spot. You only give out your spares to the toughest most testosterone filled looking patriots you see without a piece. No antifa shows up rocking the right colors and the right body for war. A body for war is made only by men of fortitude, which antifa lacks.

You see patriots ready, that's the people you share with, cuz anyone smart knows you try and fire on the rest of the crowd all armed to the teeth, you die.

This is the last stand, and the beginning of the new republic. Risks must be taken.
